Harmony: 'The Tuesday Tasting'

Every week, Hakkasan's wine team conducts a dedicated tasting session, trying out new wines with at least four different dishes from the menu: if a wine does not work with one dish – even if it is great with the others – it does not make the list.

All our wines (with the exception of the old vintages of fine wines) are continually tasted as the vintages change, to ensure that they complement our cuisine.

Jose L. Hernandez, Head Sommelier
Christine Parkinson, Group Head of Wine

Guests with allergies and intolerances should make a member of the team aware before placing an order for food or beverages. Guests with severe allergies or intolerances should be aware that although all due care is taken, there is a risk of allergen ingredients still being present. Prices include VAT at the current rate. A discretionary service charge of 13.5% will be added to your bill.
